BOOKING CONDITIONS APPLICABLE TO  
TRAVEL ARRANGEMENTS (HOTELS & FERRIES)

**FERRY BOOKINGS**

If we make a ferry booking on your behalf the ferry company's Booking Conditions will take precedence over the following booking conditions apart from any amendment fees that we may impose to cover our administration costs.

**CONFIRMATION OF BOOKING**

You should check our invoice carefully, since what is set out in the confirmation is what we agree to supply.

**FINAL PAYMENTS**

These are due ten weeks prior to departure. If booking after this date full payment will be due.

**PAYMENTS**

It is important that you make all payments on time because we may cancel your travel arrangements and you may become liable to pay cancellation charges.

**TRANSFER OF BOOKINGS**

You are allowed to transfer your reservation to another person, except where prohibited by the ferry company that is being used, and the relevant rules and regulations as published by the ferry company will therefore apply. If a transfer is allowed there will be a nominal charge of £30 per person to cover administration costs, plus any charges imposed by the ferry company. However, both the transferor and transferee will be jointly and severally liable for any outstanding payments.

**CANCELLATION**

If you wish to cancel your travel arrangements you must tell us in writing. Cancellation will only be made on the date that we receive your letter. Verbal notice of cancellation will not be accepted. In the event of a cancellation the following charges will apply:

| Notice received                      | Charges         |
|--------------------------------------|-----------------|
| More than 70 days prior to departure | Loss of deposit |
| From 69-56 days                      | 30%             |
| From 55-36 days                      | 50%             |
| From 35-28 days                      | 75%             |
| Within 28 days of departure          | 100%            |

Where the deposit is greater than a percentage charge, then the loss of deposit will be charged instead of the percentage.

**TRAVEL ARRANGEMENTS PRICE**

The price of your travel arrangements is the price quoted at the time you make your reservation. To protect that price against any possible increases, or surcharges due to currency fluctuations etc, you should make full payment to Travel Corporation (London) Ltd as soon as possible. This will, once full payment has been received by us, guarantee you against any cost increases.

Until you have paid in full we are entitled to revise the cost of your travel arrangements to allow for variations in:

- 1) Transportation costs, including the cost of fuel.
- 2) Dues, taxes and fees chargeable for services such as landing taxes or embarkation and disembarkation fees at ports.
- 3) The exchange rate applied to the particular travel arrangements. The cost of your travel arrangements has been calculated using the National Westminster Bank tourist rates applicable to the date of publication of the brochure.

Even in this case, we will absorb an amount equivalent to 2% of the holiday price which excludes any amendment charges. Only amounts in excess of this 2% will be surcharged but where a surcharge is payable there will be an administration charge of £1.00.

If this means paying more than 10% on the price, you will be entitled to cancel with a full refund of all money paid except for any amendment charges. Should you decide to cancel because of this, you must exercise your right to do so within 14 days from the issue date printed on the invoice.

**CHANGES**

If you change your travel arrangements - we will accept any changes, subject to availability and any amendment charges that may apply at the time. We will require any such changes to be notified to us in writing. Any changes made may be subject to additional costs appropriate to the new arrangements.

If we change your travel arrangements - once we have confirmed your booking, we will inform you of any material changes as soon as they become known to us. In the event of any such changes we will allow you to accept the change, offer you alternative travel arrangements subject to availability and adjustment of price or finally you may cancel and receive a full refund of monies paid.

**FORCE MAJEURE**

Travel Corporation (London) Ltd accepts no responsibility for and shall not be liable in respect of loss or damage or charges or cancellation caused by "force majeure" i.e. circumstances outside our control, e.g. cancellation or delay in the start of the event, war or threat of war, riots, civil strife, industrial dispute, terrorist activity, natural or nuclear disasters, fire or adverse weather conditions.

**PASSPORTS & VISAS**

All passengers must be in possession of either a valid Ten Year British Passport (with right of abode in the UK) or EC Passport. If visas are required we shall notify you of any such requirement and our Visa Department will assist you to obtain the correct documentation.

If you are travelling on a passport different to the above, then visas, and/or return/re-entry permits may be required for the country of destination, or countries being transited and it is the responsibility of the passenger to ensure that they are in possession of the correct documents.

**HOTELS**

If we have to use hotels other than those specified in our brochure they will be of at least comparable standard.

**COMPLAINTS**

Although we do not anticipate any problems or discomforts, if the unforeseen should happen the matter should be brought to the attention of our representative, supplier or agent, so that immediate action can be taken. Within 28 days of your scheduled return to the United Kingdom you must forward written details to our Customer Relations Manager. We cannot accept liability for any complaints received more than 28 days after your scheduled return. In the event of a dispute that cannot be resolved amicably it may be referred to arbitration, under a special scheme devised by ABTA, independently administered by the Chartered Institute of Arbitrators. The scheme provides for inexpensive arbitration, on documents alone, with restricted liability on the client in respect of costs. The scheme does not apply to claims for an amount greater than £1500 per person, or £7500 per group.

**ENGLISH LAW**

English Law shall apply to any claim made against Travel Corporation (London) Ltd and all proceedings shall be within the exclusive domain of the English Courts.

**NOTE**

This publication is issued by Travel Corporation (London) Ltd and the hotels and ferry operators stated therein assume no responsibility for the contents of this brochure.
